

Other Career and Educational Opportunities

Florida Bright Futures Scholarship Program: *Florida Academics, Florida Medallion and The Gold Seal Endorsement Program.*

The Gold Seal Scholarship focuses on students who have performed well in career preparatory programs. It recognizes and rewards excellence for academic achievement and career preparation. Specific courses and/or course sequence is required to earn the FLGSBFS. See your Counselor or Career Specialist to learn more about earning this scholarship.

Career Pathways is a high school applied technology program linked with a post-secondary program which may lead to a certificate program, associate's degree, and/or bachelor's degree. Through applied academics and technical studies, the student will build his/her competencies in communication, mathematics and science.

Dual Enrollment students may earn free college credits and high school credits their junior and/or senior year at SJRSC, DSC or SFC. Students must meet the criteria of a 3.0 UGPA and have a college placement score (ACT, SAT, CPT, or PERT) on file.

Career Dual Enrollment is also available to students seeking an AS degree, College Credit Certificate or Certificate associated with their CTE program of study. You must have a 2.0 UGPA and college placement test scores (ACT, SAT CPT, or PERT) on file. Some courses require an age limit to be enrolled.

Health Academy

Certified Nursing Assistant Dual Enrollment with SJRSC

Open to
Crescent City High School
Interlachen High School
Palatka High School
Students

Certified Nursing Assistant

Clinical and laboratory experience is provided.

This course is designed to be the clinical applications of the Health Science Education Program. Students will experience practical hands on experience at the hospital and the nursing home.

Students will be required to purchase a uniform and appropriate shoes. Each student will be required to have a physical, present an up-to-date immunization record to include the Hepatitis B series, Tuberculosis skin test, pass a back-ground check and drug screening test at their own expense.

The course will be offered as a Dual Enrollment course, with St Johns River State College, as part of the Health Science Education Program. Students must have a 2.0 UGPA, has taken or is currently enrolled in an HSE Program (Allied Health Assisting or EKG Tech.), and be able to provide own transportation.

Students will take the State CNA Exam upon completion of the program and pay 1/2 of the cost of the \$155 examination.

Purpose and Intent

The purpose of this program is to prepare a student for employment as a Certified Nurses Assistant or Medical Assistant. After successfully completing this program, the student will be able to describe an overview of the human body, use correct medical terminology, identify the structure and function of the body systems and identify and explain factors relating to the transmission of disease.

HOSA

HOSA (Health Occupation Students of America) is the student organization for this program that provides you with the opportunity to gain leadership training. Any student enrolled in the Allied Health Assisting Program is encouraged to join HOSA and to participate in local, regional and state activities. HOSA competitions include health and employability skills, creation of job portfolios, public speaking, and many others. HOSA affords you an excellent opportunity to develop leadership skills and meet other students who have the same goals and interests.
