

WHERE WILL YOU BE FOUR YEARS FROM NOW???

Do you ever think about what you would like to do after high school? Do you want to go on to college or do you want to enter the workforce? If you go to college, what do you want to study? Do you have the money for college costs without a scholarship? How much does college cost? What type of degrees are offered? After college, where do you see yourself working? If you go to work, what type of job are you interested in applying for and will you be qualified for that job? There are high wage, high demand jobs right here in Putnam County or any place in the USA if you are prepared. Earning a high school diploma will provide the pathway for you to begin your journey to success as an adult.

Your future.. Your choice.. The keys are in your hands.
