

What is an Academy??

An academy provides the foundation for a challenging program of study that leads you to your future career goal while in high school. The program is designed around rigorous, relevant college-preparatory curriculum that is integrated with your career education major.

The academy teachers work in teams with small groups of students in each career academy to provide more individualized support and extensive career counseling for every student. The academic teachers and the career education teachers will design course work together to maximize relevance of each subject.

Gain the edge of college preparation by being a dual enrollment student your junior and senior year. Dual enrollment courses are part of the academy and will allow students to begin working on their AS or AA degree and take advantage of free tuition and free books.

Crescent City Jr/Sr High School
Rodney Symonds, Principal

Academy of Health and Public Services

Where will you be four years from now???

Do you ever think about what you would like to do after high school? Do you want to go on to college or do you want to enter the workforce? If you go to college, what do you want to study? Do you have the money for college costs without a scholarship. How much does college cost? What type of degrees are offered?? After college, where do you see yourself working?

If you go to work, what type of job are your interested in applying for and will you be qualified for that job?

There are high wage, high demand jobs right here in Putnam County or anyplace in the USA in the medical, law enforcement or teaching fields. The

Academy of Public and Health Services will provide the pathway for you to begin your journey to success as an adult.

Your future.. Your choice.. The keys are in your hands.

Why Should I Enroll in an Academy???

- Academy concept is more student centered and parent friendly.
- You can begin preparing for your career while earning your high school diploma and earning college credit.
- Challenging courses will help you pass the FCAT
- You earn weighted credit in Dual Enrollment and honors classes for GPA and Bright futures calculations.
- Courses are designed to prepare you for the challenges of the workplace and college level work and you are less likely to need remediation in college and you will be more prepared for a high skill or high wage career.
- Save money and time by starting your college work and job training while in high school. Supplies, books, tuition, and lab fees are free.

Get serious about your future... NOW!!!

Everything counts!!! Do yourself a favor and take charge of your life and set goals to be prepared for your future.

All programs are part of the Gold Seal Bright Futures scholarship program. For more information go to: <http://fln.edu/ddoe/brfutures>
