

Social Studies:

The President of the United States and Congress feel that the U.S. needs another federal holiday – we just aren't out of school enough. What new federal holiday should be added and why? This should be a holiday that supports the spirit of America.

Math:

You are on the Nobel Prize Committee; the Committee has decided to add a retroactive award for the most prestigious female mathematician in history. You have been asked to come up with three nominees for this award. Who will your nominees be and why do they deserve to be nominated?

Literature:

You have been hired by CBS to create a documentary about Anne Frank and other Children of the Holocaust. The documentary will use photographs and a journal format. After researching the subject, write a journal entry as if you were a child of the Holocaust. Include your thoughts and feelings.

Science:

Should the remaining cultures of smallpox be destroyed?

Career Education:

You want to be a millionaire by starting your own business. You don't have a lot of cash at this time, so you will need to borrow from the bank. You need a business plan to show the potential lenders, but first you have to come up with a product. Your task is to design a product, then produce a business plan to take to the bank.

Health/PE:

America is the fattest nation in the world. You will design a fitness plan and diet for Wolfgang. Wolfgang is an 18-year-old male and is 25 pounds overweight. He has a part-time job after school, and when he's home he likes to play on the computer and watch television. He needs help!!

Foreign Language:

It's your lucky day!! You just won 2 round-trip airline tickets to Spain (or any other country of your choice). You will be in any city you like in your country, but you have only \$750 for your 5-day stay. Plan your trip, including hotel, transportation, sight-seeing, etc. for the 5 days.
